

BRI Orientation Program

Within two weeks of their start date, all new employees are required to complete mandatory e-learning modules.

These modules are available on InfoNet (under the tab Education/eLearning_LMS access) and can be accessed using the employee's network account.

Once completed, please sign this document, then send to your HR Administrator at BRI, by internal mail or email (scanned copy accepted).

I certify that I have completed the mandatory eLearning modules for BRI Orientation Program.

- Preventing Musculoskeletal Disorders (Preventing MSDs) (±25 min.)
