

## Soins Continus Bruyère Recrutement Administrateurs et représentants de la collectivité 2022-2023

Le premier hôpital d'Ottawa a été fondé il y a plus de 170 ans par les Sœurs de la Charité. De confession catholique, Bruyère perpétue les valeurs et l'héritage reçus de la mère Élisabeth Bruyère.

Bruyère est un organisme de soins de santé universitaire réparti sur plusieurs campus, qui maximise la qualité de vie de ses usagers et les aide à retourner vivre à la maison et à y rester. Nous offrons un vaste éventail de services dans les domaines du vieillissement, de la réadaptation, des soins médicaux complexes, des soins palliatifs, des soins en établissement et des soins primaires. Nos recherches mènent à une innovation constante qui profite aux services que nous offrons et qui mettent l'accent sur la prestation de soins favorisant l'autonomie.

Nos deux campus hospitaliers totalisent 500 lits pour patients hospitalisés, et on y offre des soins spécialisés et de la réadaptation pour les patients gériatriques, en soins palliatifs, aux problèmes de santé complexes et victimes d'accident vasculaire cérébral. L'équipe de santé familiale universitaire est affiliée à l'Université d'Ottawa et fournit, à deux emplacements distincts, des soins de santé primaires complets à plus de 40,000 patients de la région d'Ottawa. Dans nos deux foyers de soins de longue durée, qui totalisent 269 lits, les résidents bénéficient d'un environnement bienveillant et de programmes novateurs, fondés sur des données factuelles, qui procurent un sentiment d'appartenance et améliorent leur qualité de vie. Bruyère offre 130 lits à la maison Village Greystone pour aider à accroître la capacité d'accueil dans la région.

Nous cherchons des personnes dynamiques et qualifiées pour se joindre à une équipe solide qui est en train de bâtir l'avenir. Les candidats sélectionnés seront ceux qui auront des connaissances liées au secteur de la santé, une solide expérience du monde de la santé ou des affaires, des qualités de dirigeant éprouvées, et qui auront du temps à consacrer de façon importante à l'organisme. Le recrutement sera le reflet de la diversité de notre région et de nos patients. Les domaines d'expertise particuliers sont revus sur une base continue et mis en correspondance avec les besoins actuels. Pour l'exercice 2022-2023, nous cherchons des gens avec expérience antérieure en postes de cadres supérieurs en soins de santé.

Les administrateurs et les représentants de la collectivité sont élus pour un mandat d'un maximum de trois ans et sont rééligibles. Le processus de candidature comprend un entretien individuel. À titre de nouvel administrateur et nouveau représentant de la collectivité, vous recevrez une orientation complète et un mentor vous sera affecté afin d'optimiser votre enrichissement et votre perfectionnement.

## PREAMBLE

This policy flows from the requirements identified in [Bruyère Continuing Care Bylaws, Article 8.0](#).

### 1.0 POLICY

- 1.1 Effective governance depends on the right mixture of knowledge, skills, experience, personal qualities, and diversity among the Board Directors. Therefore, the Board shall, through a nomination and selection process, select Directors according to these attributes, while considering any unique or special requirements at that time.
- 1.2 The Board shall reflect the diversity of the community served by Bruyère, including demographic, linguistic, cultural, economic, geographic, gender, ethnic and social characteristics.

### 2.0 DEFINITIONS

**Board:** means the Bruyère Board of Directors.

**Members:** those persons who are members of the Board of Directors of Catholic Health Corporation of Ontario (CHCO).

### 3.0 KNOWLEDGE, SKILLS AND EXPERIENCE

3.1 The knowledge, skills and experience the Board will seek include, but are not limited to:

- business management
- human resources management
- health care administration and policy, and health system needs, issues and trends
- clinical
- government and government relation
- political acumen
- construction and project management
- legal
- strategic planning
- risk management
- information technology
- accounting designation

- financial
- education
- research
- quality and performance management
- labour relations
- governance
- public affairs and communications
- ethics
- demographics
- patient and health care advocacy
- system thinking
- patient/family experience

3.2 The Governance and Nominating Committee maintains an up to date skills matrix reflecting the current composition of the Board.

#### **4.0 PERSONAL QUALITIES**

4.1 The Board will endeavor to ensure that all of its Directors possess the following personal qualities:

- understanding of and commitment to our vision, mission and core values;
- honesty and integrity;
- willingness to learn about and adhere to good governance principles, fiduciary duties and the role of the board;
- ability to think strategically;
- ability to work as part of a team;
- ability to communicate effectively;
- financial literacy;
- commitment to devote the time and effort required to be an effective Board Director including attendance at Board orientation, retreats, meetings, committee meetings, and organizational events; and
- absence of potential conflicts and ability to recognize and manage potential conflicts of interest.

#### **5.0 SELECTION PROCESS**

5.1 The Governance and Nominating Committee of the Board is responsible for identifying and nominating individuals to the Board and identifies the interview panel, which consists of the Governance and Nominating Committee Chair or Vice-Chair, the CHSO designate, a member of the senior leadership team and one other Board director.

5.2 The Governance and Nominating Committee determines the need for new Board directors annually, and when vacancies occur mid-year, taking into consideration the skills matrix and current and emerging needs.

5.3 A public call for nominations is made on an annual basis when there are Board vacancies. Referrals can be made by Board Directors and Senior Strategy Team members, community partners or through personal expressions of interest.

5.4 Candidates must complete a formal application attached to the call for nominations.

5.5 Applications are reviewed by GNC and a shortlist is developed.

5.6 Shortlisted candidates must go through a formal interview before being nominated.

5.7 As part of the selection process, candidates will be asked to disclose any relationship that may potentially result in a conflict of interest or interfere with their exercise of independent judgment as a director. The Governance and Nominating Committee will consider potential conflicts in the context of the bylaws and policy on [Conflict of Interest \(GOV 06\)](#) in assessing the suitability of the candidate for nomination.

5.8 Preferred candidates will also be requested to obtain a satisfactory police records check and provide references. Reference checks will be completed by members of the interview panel.

5.9 Recommendations are made by the Governance and Nominating Committee to the Board. All new Director appointments must receive approval from the Members.

## 6.0 APPOINTMENT

6.1 Directors are appointed as outlined in By-law 8.05.

6.2 Reappointment is not automatic, but will be evaluated based on the Director's performance and on their ability to contribute the range of skills, experience and knowledge still required on the Board of Directors as determined by the Governance and Nominating Committee.

6.3 A Director may request an extended leave of absence. Such a request is submitted to GNC for recommendation to the Board. If the request cannot be accommodated, the Director may be required to voluntarily resign (By-law 8.09, b, i).

6.4 Directors may resign as outlined in By-law 8.08.
