HSAA ARTICLE 8 – FORM OF COMPLIANCE DECLARATION

Appendix 1 - Exceptions

[Please identify each obligation under the HSAA that the HSP did not meet during the Applicable Period, together with an explanation as to why the obligation was not met and an estimated date by which the HSP expects to be in compliance.]

Recognizing that the 2020/21 fiscal year has been extraordinary due to COVID-19, Ontario Health has acknowledged the many challenges to the health system and health service providers impacting their ability to meet many of the H-SAA service level targets.

Considering the current COVID-19 environment that has impacted patient flow and staffing levels, many of the Service Volumes and Local Obligations have not been met.

In addition, the following two exceptions continue to recur:

1. Alternate Level of Care Rate
2. Percentage of staff to receive Indigenous Cultural Safety Training (minimum of 15%)

Note: Financial targets for a balanced budget and working capital ratios have been met, and all reporting obligations were fulfilled.
